

Search for Single Story Properties

To Search for a Ranch Style Single Family Property:

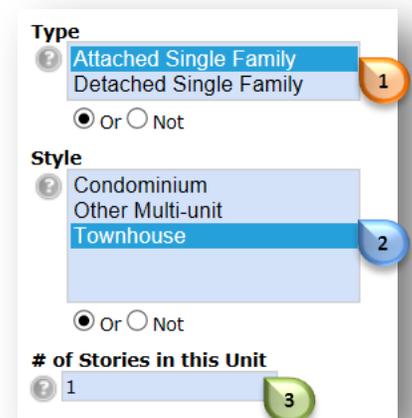

- Under **“Type”**
Select **“Detached Single Family”** 
- Under **“Style”**
Select **“Ranch/1 Story”** 

Note: Do not use the “# of Stories in this Unit” field. Using this field in conjunction with Detached Single Family property type will yield ZERO results

To Search For a Single Level Attached Single Family Property:

- Under **“Type”**
Select **“Attached Single Family”** 
- Under **“Style”**
Make the appropriate selection or selections 
- Under **“the # of stories in this Unit field”**
Type a **“1”** 

Note: Enter a specific number, range, or use the +, - to indicate greater than or less than values. Do not include commas in your criteria.

Examples:

- Enter 1 for a 1 story unit
- Enter 1-3 for the range
- Enter 1+ for 1 or more stories
- Enter 2- for 2 or fewer stories
- Leave blank to include all properties

Note: Two separate searches need to be conducted when searching for single level property results which include both attached and detached properties
