

View Resent Search Results

Up to **50** of the searches you have conducted over the last **7 days** can be viewed by using the “**Recent Searches**” drop down

- Click the drop down arrow to the right of the “**Recent Searches**” field 1
Note: The Recent Searches field will be in the same place on search pages and the Dashboard

- Your last 15 searches will present
Note: The day and time of the search present

- You can access your 50 most recent searches by clicking “**View All**” 2

- Select the search of interest 3

- The results from the specified search will present
Note: The results generated will be updated. However, the “Search Run” field will continue to state the day and time the search was originally created
