

Matrix Updates

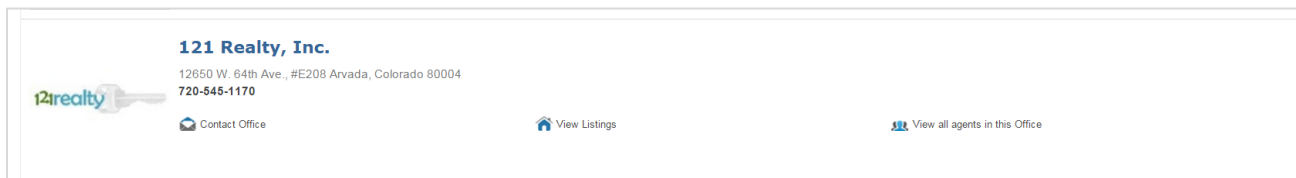

- The Broker 1-Page Report and Appraiser 1-Page Report are now available under Cross Property searches. This means that when you access a listing from any Cross Property search including the Address Quick Search on the Matrix dashboard, the speedbar, or My Listings, you'll now have the ability to print these reports.

REcolorado.com Updates

- Change to Office Search Results and Office Detail pages** – The *View REALTORS in this Office* link has been moved from the office search results to the office details page. When you click *View all REALTORS in this Office*, the photo roster will update to only show agents that are REALTORS.
