

**New Home Plans and New Home Communities Now Available on REcolorado.com**

New construction inventory is now available on REcolorado.com with the addition of two new residential property subtypes: New Home Plans and New Home Communities.

- New Home Plans and New Home Communities searches are now available from the Search Homes drop-down menu on the homepage of recolorado.com.
- Additionally, from the Search Homes or Search Properties pages, a residential search can be refined to include New Home Plans and/or Communities.

### Builder Profile Pages Now Available on recolorado.com

Currently REcolorado has partnerships with 11 different builders in Denver and the surrounding areas. As part of this partnership, we have added Builder Profile pages on recolorado.com. These pages can be accessed by going to the [Find a Builder](#) page and selecting the “View our Profile” link from the builders contact card.
