

Navigate the Results Button Bar

Button bars present options for augmenting, saving, and sharing results 1

The screenshot shows a search results interface for a class. At the top, there are navigation options like 'Criteria', 'Map', and 'Results'. Below that, a summary bar shows 'Checked 3' and 'All · None · Page'. The main table lists three properties with columns for MLS #, Sts, Style, Address, City, Zip, List/Sold \$, Beds, Baths, Total Sq Fin, Sqft, and Listing Office. Below the table is a button bar with 'Actions', 'Refine', 'Save', and 'Carts'. A callout '2' points to the 'Actions' button, and another callout '1' points to the 'CloudCMA' button.
