**Open House Information**

In-person Open Houses are currently allowed under strict guidelines. More information, including links to the current orders, are available on the [REcolorado Professionals Blog](#).

A virtual open house uses the camera on your device and a live-stream platform (Facebook Live, Instagram Live, Zoom, etc.) to virtually host an open house. Virtual open houses give the consumers the ability to interact with the broker by asking questions via chat, in real time. A virtual open house is not a virtual tour or other pre-recorded event.
