

Verify and Change Realist Counties

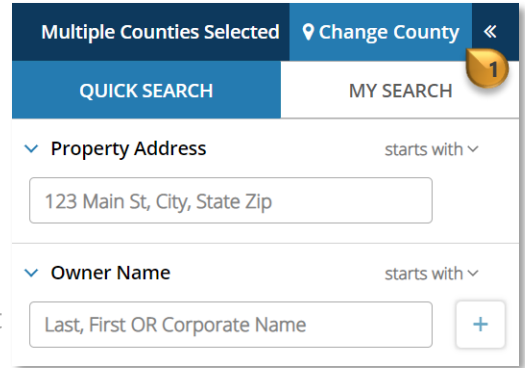

Realist allows one to search for property and tax information in all counties in Colorado, and 3 counties in southern Wyoming. To search for a property one must have the appropriate county selected

On the Realist home page click "Change County" 

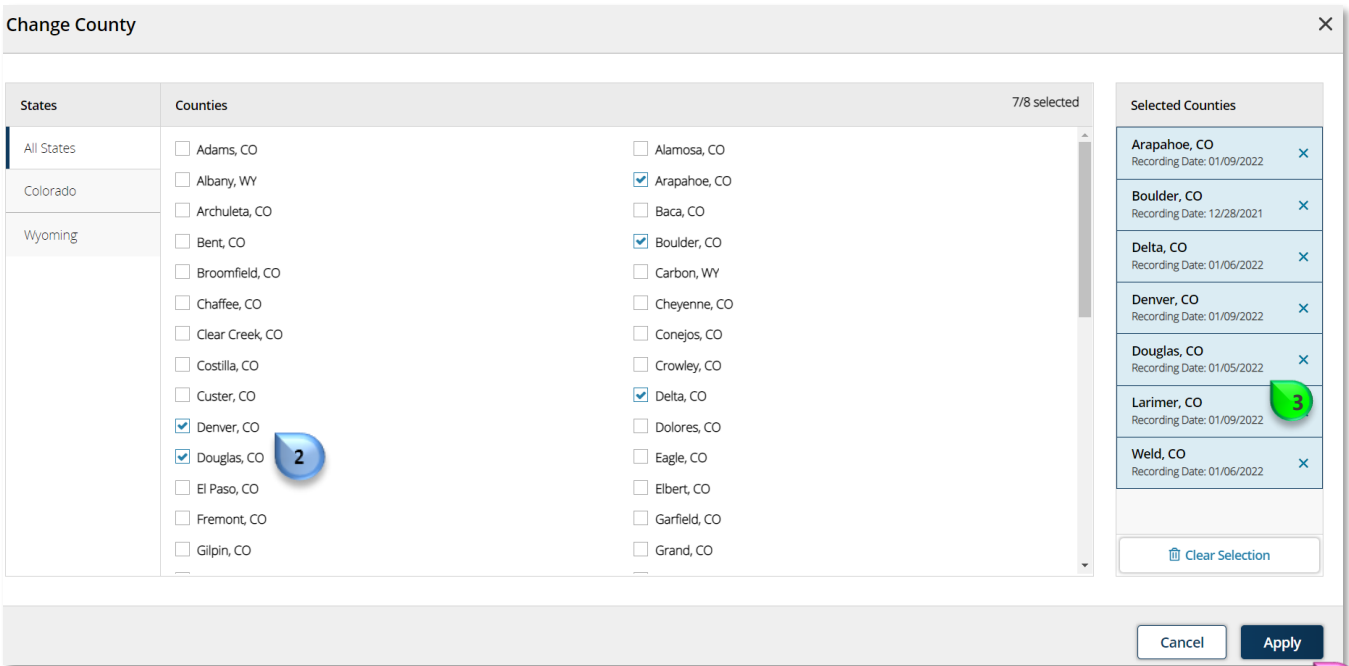

Select the counties you wish to search 

Note: Eight counties can be searched at one time

Note: Recording Date indicates the last time that county updated information in Realist 

The screenshot shows the 'Change County' button in the top right corner. Below it are two search tabs: 'QUICK SEARCH' and 'MY SEARCH'. Under 'QUICK SEARCH', there are two filters: 'Property Address' with a text input field containing '123 Main St, City, State Zip' and 'starts with' dropdown; and 'Owner Name' with a text input field containing 'Last, First OR Corporate Name' and 'starts with' dropdown. A '+' button is next to the Owner Name field.

The 'Change County' dialog box shows a list of counties under 'States' (All States, Colorado, Wyoming) and 'Counties'. A '7/8 selected' indicator is present. A 'Selected Counties' list on the right shows the following counties with their recording dates and a green callout 3:

Selected Counties	Recording Date
Arapahoe, CO	01/09/2022
Boulder, CO	12/28/2021

Denver, CO	01/09/2022
Douglas, CO	01/05/2022

Buttons for 'Cancel' and 'Apply' are at the bottom right. A blue callout 2 is over 'Douglas, CO' in the main list, and a blue callout 4 is over the 'Apply' button.
