

Customize Realist Comparables View

Sections of the **Comparables** display can be customized

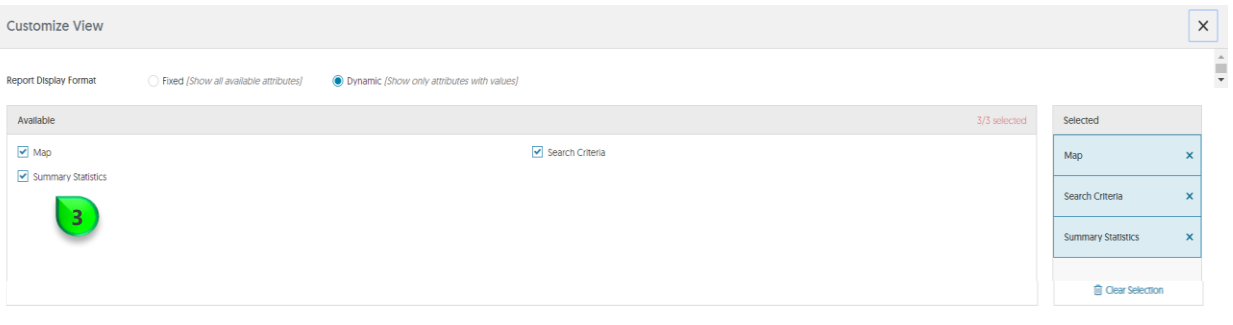

From the **Comparables** tab 1

Click **“Customize View”** 2

Place a *checkmark* in the *checkbox* next to the section(s) you would like to display 3

Remove *checkmarks* to hide sections from view

Click **“Apply”** 4

Note: To learn how to edit the *comparables criteria*, please see *How To Edit Realist Comparables Criteria*
