

Customize a Realist Neighbors Report Display

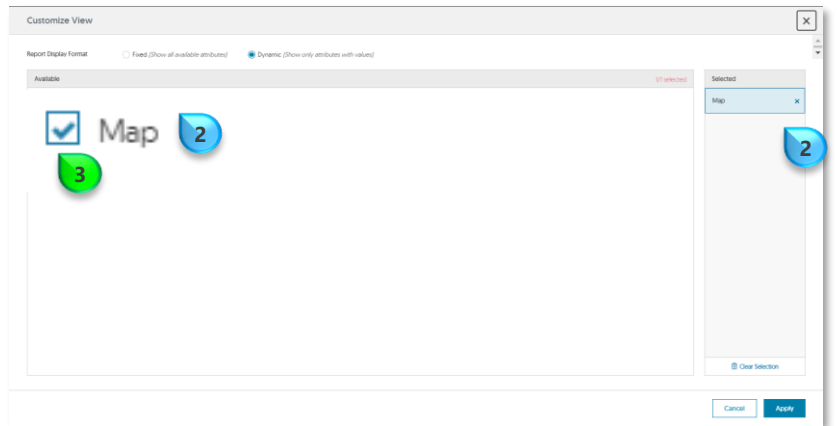

To edit the **Neighbors Report** display

Click **"Customize View"** 1

Sections with a **checkmark** 2 will appear in the *Selected* panel and will present in the report

Sections without a **checkmark** will not appear in the report

To remove a section click the **checkbox** with a **checkmark** next to the section of interest 3 This will remove the **checkmark** and remove the section from the report.

To add a section click a **checkbox** without a checkmark. This will add a **checkmark** and include the section in the report.

Note: Sections will remain removed from future *Neighbors Reports*. To add a section back to the display, follow the same process.
