

Understand Public Record Search Display Options

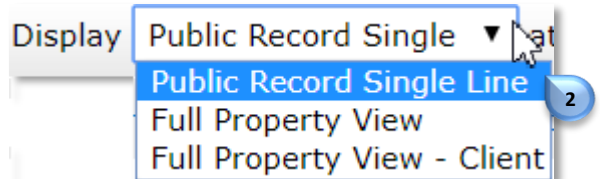

The default display for a Public Record search is “**Public Record Single Line**”

To change the results display click the dropdown arrow next to the **Display** window 1

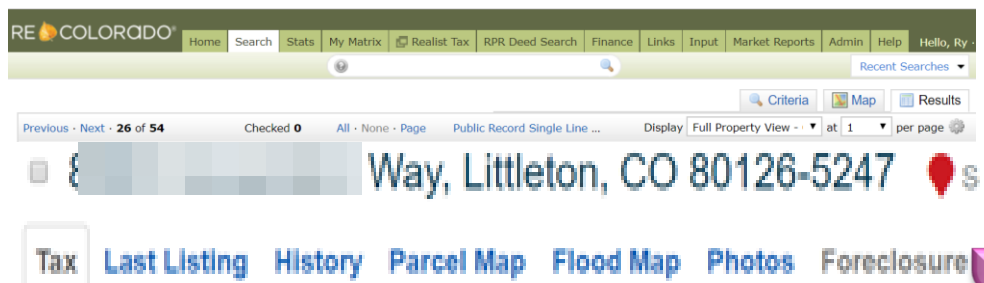

The window will expand presenting all Public Record **Display** options 2

Public Record Single Line presents results in a spreadsheet format 3

Full Property View and **Full Property View – Client** present results in a tab format 4

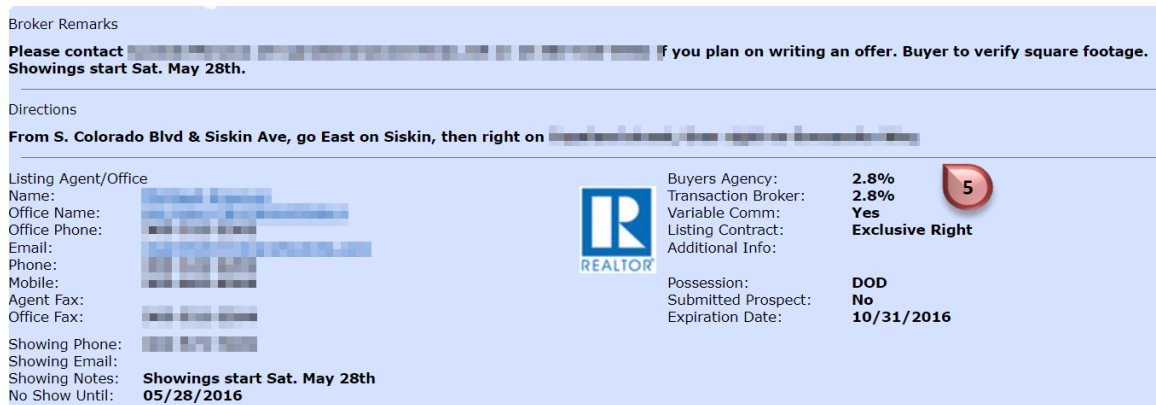

Click on the desired tab to view information 4

Understand Public Record Search Display Options

The **Full Property View** display includes information intended for agents only,  i.e. Broker Remarks, compensation information, etc.

The **Full Property View – Client** excludes information intended for agents only
